Dear Parents / Carers

As you are aware, the school had a full Ofsted Inspection, last term on Tuesday 2nd November and Wednesday 3rd November 2023. I am now able to share the report with you and the outcome of our full Section 5 Inspection. A copy of the report can be found on our website, which you can read in full, but I would like to outline for you the most important information.

[OFSTED – November 2022 | \(awsworthprimary.co.uk\)](http://www.awsworthprimary.co.uk)

We are extremely proud to inform you that the overall judgement is that we are officially rated as a GOOD school for the first time since becoming an academy.

The summary evaluation of the inspection is as follows:

Overall effectiveness: **Good**

Quality of education: **Good**

Personal development: **Outstanding**

Behaviours and Attitudes: **Outstanding**

Leadership and Management: **Good**

Early Years Provision: **Good**

The report is certainly worth a more thorough read as it is overwhelmingly positive and reflects the progress we have made as a school since our last inspection in 2014.

We are particularly proud that pupils' behaviour in and around school is impeccable. Pupils are polite and courteous to each other, adults and visitors. They said that bullying was rare and when it does happen, pupils say that adults will sort it out. Awsworth Primary is an inclusive school. Pupils are proud to make positive contributions to the wider life of the school.

During the two days, extensive feedback was given which did not make the final report was given which will be shared in due course, via the website.

As a school, and with the support of the Trust, we will continue to strive to improve in those areas identified for further improvement. It is our challenge to see that every element of our work reaches the highest possible levels. I know that I will have your support in the work we will be doing together to make Awsworth Primary and Nursery School exceptional for all our pupils.
