

KS1 Learning for Life Curriculum Tree (Cycle A) Summer 2024-25

Science

Animals, including humans.

We will be observing, sorting and comparing animals, discovering and investigating their diets and identifying parts of the human body, including the 5 senses.

Habitats.

Exploring where creatures live and why. What is it about the environment that suits their needs?

English

One day on our blue planet: In the Savannah. Children will assume the role of the main character, the lion cub, and create a diary entry based on his adventures. Continuing the African theme, we will produce also a setting description.

The Train Ride. Children will create a story/narrative about their own train journey using adjectives, noun phrases and other grammatical features according to year 1 and 2 objectives. We will also study simple poetry and construct transport poems.

They will also be consolidating and applying their phonic knowledge through Twinkl Phonics and improving their handwriting and spelling skills.

Mathematics

Year 1

Multiplication and division. Fractions. Position and direction. Numbers to 100. Money and Time.

Year 2

Fractions. Time. Problem solving and efficient methods. Position and direction. Statistics.

Computing

Coding

Children will learn and apply basic coding skills to colourful, engaging tasks on Purple Mash.

(Article 17)

PE

Ball skills: feet. Dance: The zoo. Jumping. Health and wellbeing. (Article 31, 23, 29)

RE

Religion and Symbols.

Children will explore how different religious groups worship and discover the meaning of important symbols. This will result in creating their own piece of symbolic artwork.

(Article 30, 13, 14, 15)

Art/DT

DT- Moving vehicles. Design, make and evaluate. **African Art.** A creative topic using silhouettes and animal prints.
